THE RULES

- Predict the score of each of United's 46 League Two games.
- For each correct score (e.g., you predict United 3 Mansfield 0 and the score is United 3 Mansfield 0), you'll get THREE points. For each correct result but with the wrong score (e.g., you predict United 3 Mansfield 0, but the score is United 2 Mansfield 1), you'll get ONE point.
- The winner will be the person with most points after the completion of all 46 games.
- In the event of a tie, prize money will be shared equally.
- In the event of matches being postponed on their original dates, the score of the game when it is restaged will count.
- The entry fee will be £2. Cheques/POs should be made payable to 'SULSESC'.
- The closing date for entries will be Saturday, August 31, 2013 (entries received after the start of the season on August 3 but before the closing date will obviously not be marked on results that are already known!).
- The committee's decision will be final.
