#Remember the past
#Enhance the present
#Secure the future

The Iron Trust (Scunthorpe United Supporters Society) works to ensure the voice of the fans are heard in the decision making process at Glanford Park. The Trust is non profit making and it is run by a group of volunteers. We take up supporter causes with SUFC and outside authorities such as Humberside Police. The Trust is a democratic body, regulated by the Financial Conduct Authority, which is affiliated nationally to the Football Supporters Association

Since being established in 2012 we have

- built our membership to over 470 (by July 2023)
- campaigned on issues such as policing and stewarding
- encouraged SUFC to adopt fan-focused policies
- purchased £4,000 worth of shares in the club,
- given evidence to the "fan led review" on football
- raised funds for local charities such as the Foodbank, Macmillan cancer support and the hospice
- met with members/fans at "Trust corner" before every home league game
- issued an e-newsletter to members before each home league game and encouraged member feedback
